ABOUT US

Unique Uniforms is a division of Modern Apparels with over 40 years of experience in the School and Corporate retail markets. Unique's only business is providing Top quality school and corporate clothing. We design, manufacture, and retail our own line of uniforms. Our manufacturing capabilities begin with the design of the fabric pattern and continue through production of the final garment. This belief has enabled Unique Uniforms to be an award-winning designer and manufacturer of image apparel and uniforms for nearly a century. Today, we are firmly established as a leader for the Education industry.

WHY CHOOSE US

Our services range from understanding your requirements, designing uniforms as per your requirement to managing your delivery channel. We offer end to end solution for meeting your uniform requirements from designing the uniform to getting it delivered to your staff or your customers whether it is Corporate, Schools, Hotels & Hospitals, Government institutions or Educational institutions.
